Mitchell County Secondary Roads is accepting applications for a full time Assistant to the Engineer/Technician. This position involves assisting the County Engineer in planning, drafting, and supervising the Secondary Roads Department in the design, construction, administration, and maintenance of roads, bridges, and culverts. Applicants considered for this position should have a degree in Civil and Construction Engineering Technology or Management or other related education and experience including computer-aided drafting (CAD), highway design software, surveying and knowledge of highway & bridge construction. The work environment includes both indoor and outdoor conditions. A valid driver’s license and good communications skills are required. Salary range is $25 - $35 per hour based on experience and qualifications. Applications and a full job description may be picked up at the Engineer’s office at 3625 March Avenue, Osage, Iowa 50461, or on line at www.mitchellcoia.us. Application and resume may be mailed to the above address or emailed to richard.brumm@worthcounty.org. Applications will be accepted until the position is filled. Mitchell County is an Equal Opportunity Employer.
