

BIRTH CERTIFICATE REPLACEMENT

If you are the parent of a child born in Iowa between 1995 & 2009 and you have a small "wallet" birth certificate issued from the Iowa Department of Public Health, they are asking that you exchange these at no fee for the larger 8 1/2" X 11" certificates that are issued now. The Recorder's office can replace these for you without having to send these to Des Moines because we have statewide access to all birth records from 1995 forward. If your child was born in 1993 or 1994 and you have the small "wallet" birth certificate you will need to send these to the state vital records office. We can assist you with the application form if you would like.
